## **28 PAGES QUESTIONNAIRE**

**28Pages.org** is an education and activism site for the growing movement to declassify the 28-page finding on foreign government support of the 9/11 hijackers. This finding is part of the report of the Joint Inquiry into Intelligence Community Activities Before and After the Terrorist Attacks of September 11, 2001.

As a service to citizens and journalists, we're contacting U.S. House representatives who have not cosponsored H.Res.428—which urges the president to declassify the 28 pages—and asking two questions.

---

**House Representative's Name** \_\_\_\_\_

- **Has the representative read the 28 pages?**  
YES \_\_\_\_\_ NO \_\_\_\_\_
- **If not, has the representative formally requested permission from the House Intelligence Committee to read the 28 pages?**

**Name of Individual Completing Form** \_\_\_\_\_

**Please scan and return via email to [Research@28Pages.org](mailto:Research@28Pages.org)**

As these are yes-or-no questions of fact rather than policy, **we respectfully request your reply within five business days.** We will publish answers at 28Pages.org and publicize our findings in both traditional and social media. (If no reply is furnished, our published results and press releases to national and hometown media will indicate the representative "Refused to Answer.")

Note: If the representative becomes an H.Res.428 cosponsor within the next five business days, you may disregard this request. If the answer to either of the questions changes after you've made your initial response, please contact us at **[Research@28Pages.org](mailto:Research@28Pages.org)** to update the record.

**Thank you in advance for your contribution to government transparency.**
